## EDMONTON HOCKEYISTS CHAMPIONS OF ALBERTA

### THEY MAKE IT TWO STRAIGHT WITH STRATHCONA

The Boys in Green and White Carry Themselves to victory—The Alberta Challenge Cup Comes Across the River. Good Luck to the Champions.

The Edmonton senior hockey team are the champions of Alberta. They won this distinction by defeating Strathcona in the second game in the series for the Alberta Challenge Cup on Strathcona ice last night. During this whole season Edmonton hockeyists have shown their superiority over those of our sister town. The last few matches have been very close. Very little depended on these matches but last night when everything depended on Edmonton winning out, the boys responded in magnificent style and became aggressive from the start and towards the conclusion of the game the Strathcona team were played off their feet and left the ice in a state of exhaustion. The pace was too severe for them and only for the brilliant work of May and Ebbels the score against them would have been much more on side than 5 to 2. Quite a large number of spectators were present, Strathcona turning out in full force to see, as they fondly hoped, their boys give Edmonton a trimming when in a supposedly weak condition. But Edmonton lacking their two stalwart defence men Bellamy and Banford, and playing an intermediate and a junior, played rings around them. The E. Y. & P. ran a special train which carried a large number of Edmonton hockey enthusiasts over to see Edmonton win their ninth straight victory this season. The enthusiasm ran at a high pitch and the large crowd shrieked encouragement to their favorites.  
The game commenced with both teams feeling that now was the decisive time. A keen struggle was commenced, the outcome of which wasn't in doubt for a moment. Edmonton played their prettiest combination and Sibbald and Wright flew down the ice with lightning speed. In vain did May and McKernan put forth every effort to stop these determined rushes. McDougall and Greenwood also played their places on the wings and in a half minute after commencement Edmonton scored their first goal, Edmonton 1, Strathcona 0.  
Playing proceeded as before and without giving Strathcona an opportunity to get the puck in Edmonton territory the boys in the green and white added another to their score. Edmonton 2, Strathcona 0.  
Edmonton forwards were playing a whirlwind of a game and Arnold Johnston, the junior, let nothing pass him and with Bobbie Robertson effectively broke up every Strathcona rush. Blain and Dobson played an exceedingly hard game for Strathcona. Richards was on the ice but did not show up well, being too closely checked by McDougall. Kent was warned for playing off side. The game continued fast and furious and loud and prolonged cheering heralded another game for Edmonton after ten minutes more playing. Edmonton 3, Strathcona 0. Things began to look like a shut out when the Strathcona players put forth extra efforts. They gradually began to rush matters and Edmonton defense was called upon to save their goal. But ably they responded. Robertson and Johnston although spare men played a rattling good game and Kent and Dobson met their match. Sammie Hamerton in goal raked in everything of a doubtful nature and played a brilliant game. Kent, Strathcona, was sent to the fence for a minute for lagging off side. Shortly after this Strathcona tallied their first goal by a determined rush by Dobson and Blain. Time 10 minutes. Score Edmonton 3, Strathcona 1.  
Picking up courage Strathcona rushed matters and scored again in one minute's time Edmonton 3, Strathcona 2.  
Strathcona enthusiasm began to brighten up again at the call of half time.  
Half time found the Edmonton club rooms a very busy place. "There were fifteen feet to doctor up. Sibbald had been struck over the eye with a hockey stick and the wound was attended to. The boys were in good spirits and were confident of easily winning out.  
The second half started with much slower playing. Both teams showed the effect of their fierce playing during the first half. Much end to end lifting was indulged in and both Robertson and Johnston lifted with deadly accuracy and it was more by good luck than otherwise that many of their shots were stopped. Greenwood played as only Greenwood can and dashed with lightning speed up the wings and it was Greenwood and Sibbald's combination that won many of the games for Edmonton. Wright and Kent got into a mix up and were retired for a few minutes to think it over. Wright must have thought to advantage for on getting back he and Sibbald got a little combination going that landed the rubber in Strathcona's nets. Edmonton 4, Strathcona 2.  
Play continued fierce. Johnston played a wonderful game and took the puck from McKernan and Dobson with as much ease that the Edmonton spectators went wild over him and cheered the Edmonton "kid" Strath-  
Richards was on the ice but did not

fagged May and McKernan could  
scarcely lift the puck ten feet and  
Wright or Sibbald were sure to be on  
to them. The Strathcona team were  
gradually forced back into their nets  
and Wright seized a good opportunity  
to add another score to Edmonton's  
tally. Edmonton 5, Strathcona 2.  
There was only a few minutes  
more to play and Sibbald, the  
best player in the two teams,  
shot a red hot shot on their goal.  
Wright and Humeston are artists in  
stick handling and every Edmonton  
player, Humeston, Robertson, John-  
ston, Sibbald, Wright, Greenwood and  
McDougall covered themselves with  
glory. Full time found Edmonton  
raining hot shots on the Strathcona  
nets with the Strathcona aggregation  
wondering what was happening. Full  
time was up and Edmonton won out,  
dubbed the score in as fast a hockey  
match as has been played this winter.  
Edmonton is proud of her hockey
